ANIMAL CARE

(Lancaster, Morecambe & District)

Registered Charity No.508819

When you look at this lovely puppy can you believe that someone tried to kill her? Not just once, but three times! They tried to drown her, then set fire to her and finally dumped her into a dustbin to die.

Luckily someone heard her screams of pain and she was brought to Animal Care. After lots of tender loving care, and some nice little booties for her burnt paws, she found a new home and seems to have survived the ordeal, still trusting us humans.

Tessa is blind and had a bad start in life, at about eight months old, she found herself pregnant and homeless. When Tessa was ten months old she came to live with us via Animal Care.

She had given birth to three kittens and, having just weaned them, was painfully thin. She learnt the layout of her new home very quickly, cautiously at first, learning the layout as she bumped into things! She is adorable and I cannot imagine life without her now.

We look after hundreds of animals every year, not just cats and dogs, but goats, rabbits and many others.

It makes sense to make a Will, it means **you** decide what happens to **your** money and belongings. Without a Will a Court can decide and there is the possibility that the Government could take it all.

There are also tax benefits for bequests to Charities, so ask your Solicitor to include Animal Care in your Will.

There are many ways to give, two of the most popular and effective are:

A RESIDUAL LEGACY, you make specific bequests to family and friends, etc., and leave what is left to us...

"I bequeath to Animal Care (Registered Charity No. 508819) the residue of my estate absolutely and that i) the assets comprising such residue may be used for the general purposes of the said Charity and ii) the receipt of the Treasurer of the said Charity shall be a good discharge to my Executors in respect of a payment or transfer of such assets to the said Charity."

A SPECIFIC LEGACY, a gift of money or specific item or items of value ...

"I bequeath to Animal Care (Registered Charity No. 508819) the sum of £..... (or a description of the non monetary bequest) to be applied for the general purposes of the said Charity and the receipt of the Treasurer of the said Charity shall be a good discharge to my Executors in respect of a payment or transfer of such assets to the said Charity."

Leave a Legacy of Care to Animal Care

Animal Care was formed in 1978 by a small number of dedicated people who looked after stray dogs and cats in their own homes. Over a period of time, kennels were rented and the number of animals increased.

In 1987, Blea Tarn Kennels were acquired and then reburbished to accommodate 25 dogs, 24 cats and a large variety of other animals. The kennels were officially opened on the 19th March 1988.

Every year we find homes for over 600 cats, dogs and other animals, some of their stories are on the back of this leaflet.

If you would like to know more, then please fill in the form opposite, give us a ring or even visit our home at Blea Tarn Kennels. We are usually open **365 days** each year from 11.00 am to 3.00 pm (please call to confirm).
